

BRASTORNE
CONNECTING THE UNCONNECTED

About Us

We transform feature phones into affordable but robust devices that connect to the Internet, enabling individuals to gain life-altering access to markets, opportunities, and communities. Our technology has successfully connected over 5 million individuals in five African countries to the incredible power of the Internet.

MISSION

Brastorne is committed to connecting 760 million Africans who lack meaningful access to today's digital world.

60% of our users are women

115% Increase in income for female farmers

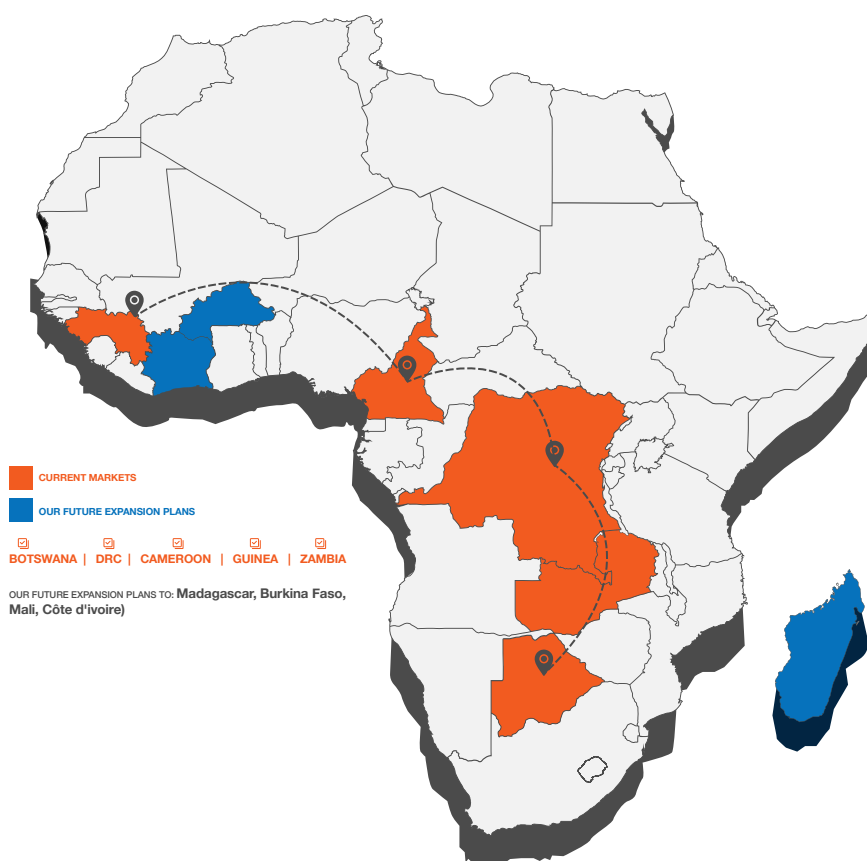

VISION

To connect the Unconnected to the world.

\$93.67 increase in farm yield value per \$1 invested in Brastorne

85% savings in communication and information access costs for the rural poor

USER CONNECTED W/DIGITAL ACCESS (CUMULATIVE)
