

About Us

We transform feature phones into affordable but robust devices that connect to the Internet, enabling individuals to gain life-altering access to markets, opportunities, and communities. Our technology has successfully connected over 4 million individuals in four African countries to the incredible power of the Internet.

MISSION

Brastorne is committed to connecting 760 million Africans who lack meaningful access to today's digital world.

60% of our users are women

12% net increase in income for female farmers

VISION

To connect the Unconnected to the world.

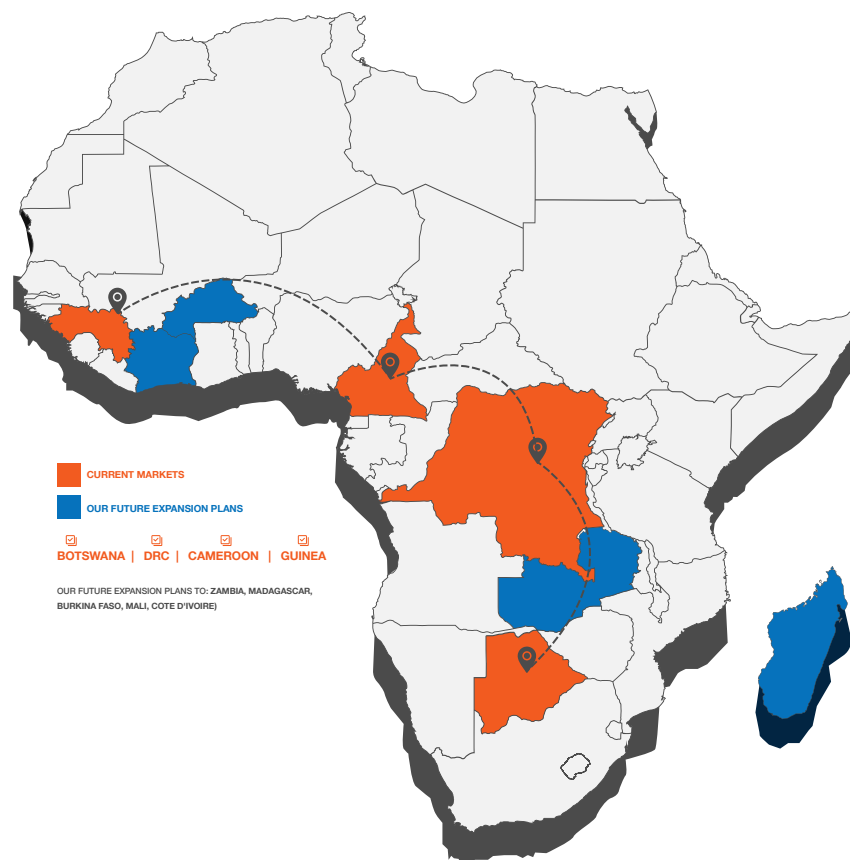

\$93.67 increase in farm yield value per \$1 invested in Brastorne

85% savings in communication and information access costs for the rural poor

USER CONNECTED W/DIGITAL ACCESS (CUMULATIVE)

Were in 4 Countries and we have 4 Million users
