

BRASTORNE
CONNECTING THE UNCONNECTED

About Us

We transform feature phones into affordable but robust devices that connect to the Internet, enabling individuals to gain life-altering access to markets, opportunities, and communities. Our technology has successfully connected over **5.8 million individuals** in six African countries to the incredible power of the Internet.

MISSION

Brastorne is committed to connecting **760 million Africans** who lack meaningful access to today's digital world.

60% of our users are women

115% Increase in income for female farmers

VISION

To Connect the Unconnected to the world.

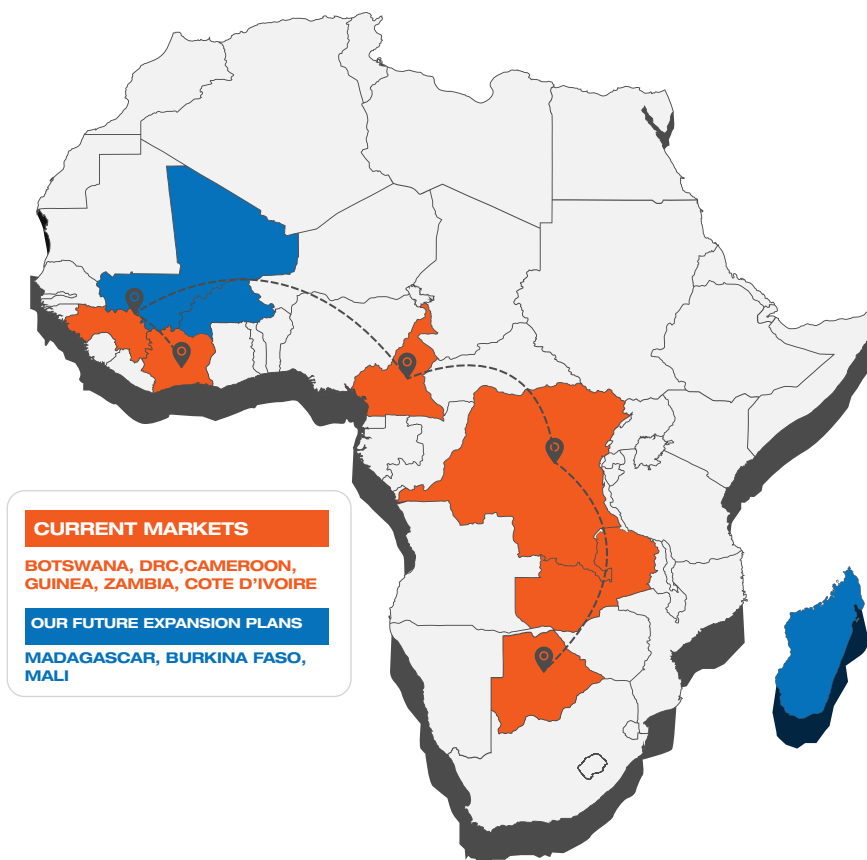

\$93.67 increase in farm yield value per \$1 invested in Brastorne

85% savings in communication and information access costs for the rural poor

USER CONNECTED W/DIGITAL ACCESS (CUMULATIVE)

6 Countries | 5.3 Million users
